1. LOCATION AND SETTING

The property is located at 490 8th Street, Fairplay, Colorado. The Town of Fairplay is in central Colorado, approximately 85 miles southwest of Denver, Colorado, and 85 miles west-northwest of Colorado Springs, Colorado at the intersection of U.S. Highway 285 and Highway 9. Breckenridge, Colorado is approximately 23 miles north of Fairplay. Fairplay lies within South Park which is a broad valley covering over 900 square miles and surrounded by the Mosquito and Park mountain ranges. 2. SALE PARCEL DESCRIPTION

The property consists of approximately 0.43 acres of land improved with a residential dwelling, an attached, insulated, two-car garage and an unattached storage shed. **The garage will only house one vehicle due to the placement of a propane heater which encumbers a portion of the garage.** Both the front and back yard are fenced by a chain-link fence.

Flood damage from a broken water pipe occurred inside the dwelling in 2004. The plumbing was replaced in the exterior walls of the laundry room and the downstairs bathroom in 2005. Much of the sub-flooring was replaced at that time but not the flooring. All of the sheetrock in the house was replaced and was textured and primed but not painted. Testing revealed no evidence of mold from the water damage. Other more recent improvement consists of a new on-demand hot water system and new forced-air furnace in 2005. The upstairs were replaced with new double-pane vinyl windows in 2000 and downstairs windows were replaced in 2002. A new asphalt shingle roof was installed in 2001 and the exterior dwelling was repainted around the same time period. The dwelling and the shed were built in 1975 and 1999 respectively.

Bidders are reminded that the property is offered for sale and will be sold "As is" and "Where is," without representation, warranty, or guaranty as to condition. The description of the property and

1. INVITATION FOR BIDS

The term "Invitation for Bids" (IFB) as used herein refers to the foregoing IFB and its Property Description, General Terms of Sale, Important Instructions to Bidders, Notices and Covenants, Bidder Registration and Bid Form for Purchase of Government Property and Exhibits, all of which are attached to this IFB by reference, and made a part hereof, and as may be modified and supplemented by any addenda or amendments that may be issued by the Government prior to the conclusion of the online auction.

2. DESCRIPTION PROVIDED IN IFB

The description of the Property set forth in the IFB and any other information provided therein with respect to said Property is based on the best information available to the U. S. General Services Administration, Real Property Disposal Division, and are believed to be correct. 3. INSPECTION

Inspection of the Property is the sole responsibility of the Bidder. Bidders are invited, urged, and cautioned to inspect the Property prior to submitting a bid. The failure of any Bidder to inspect, or to be fully informed as to the condition of all or any portion of the Property offered, will not constitute grounds for any claim or demand for adjustment or withdrawal of a bid after the bid opening or auction.

Inspection Opportunities:

The Property is currently vacant. The building exteriors and the parcel may be inspected at any time during daylight hours, although snow conditions may limit accessibility.

Appointments to view the property can be made by calling Christine Kroos, Forest Service, at (719) 836-3851.

4. CONDITION OF PROPERTY

5. ZONING

The property is zoned Residential 2 (R2). The R-2 Residential Two District is principally established for the development and maintenance of single-family dwellings, two-family dwellings and residential neighborhoods.

Contact: City of Ft. Collins (719) 836-2622

Verification of the present zoning and determination of permitted uses thereunder, along with compliance of the property for present or proposed future use, shall be the responsibility of the Bidder and the Government makes no representation in regard thereto. The Government does not guarantee that any zoning information is necessarily accurate or will remain unchanged. Any inaccuracies or changes in the zoning information shall not be cause for adjustment or rescission of any contract resulting from this IFB or Sales Agreement.

6. CONTRACT

The IFB and the bid, when accepted by the Government, shall constitute an agreement for sale between the successful Bidder ("Purchaser") and the Government. Such agreement shall constitute the whole contract to be succeeded only by the formal instruments of transfer, unless modified in writing and signed by both parties. No oral statements or

representations made by, or for, or on behalf of either party shall be a part of such contract, nor shall the contract or any interest therein, be transferred or assigned by the Purchaser without the consent of the Government. Any assignment transaction without such consent shall be void.

7. TAXES AND CLOSING COSTS

As of the date of conveyance of the Property, the Purchaser shall assume responsibility for all general and special real and personal property taxes which may have been or may be assessed on the Property, and to prorate sums paid, or due to be paid, by the Government in lieu of taxes.

All closing costs, including escrow, recording, and financing fees, shall be borne solely by the Purchaser.

8. RISK OF LOSS

a. As of the date of conveyance, the Purchaser shall assume responsibility for care and handling and all risks of loss or damage to the Property and have all obligations and liabilities of ownership.

b. In the event of a major loss or damage to the Property as a result of fire or other cause during the period of time between acceptance of the bid by the Government and date of conveyance, such loss or damage shall NOT be considered grounds for invalidating the contract of sale or reduction of the purchase price.

9. REVOCATION OF BID AND DEFAULT

In the event of revocation of a bid after the opening of bids, but prior to acceptance, or in the event of revocation of a bid after notice of acceptance, or in the event of any default by the Purchaser in the performance of the contract of sale created by such acceptance, or in the event of failure by the Purchaser to consummate the transaction, the deposit, together with any payments subsequently made on account, may be forfeited at the option of the Government, in which event the Purchaser shall be relieved from further liability, or without forfeiting the said deposit and payments, the Government may avail itself of any legal or equitable rights which it may have under the bid or contract of sale.

10. GOVERNMENT LIABILITY

If the Bid for Purchase of Government Property is accepted by the Government and a) the Government fails for any reason to perform its obligations as set forth herein; or b) title does not transfer or vest in the Purchaser for any reason, although Purchaser is ready, willing, and able to close, the Government shall promptly refund to Purchaser all amounts of money Purchaser has paid, without interest, whereupon the Government shall have no further liability to Purchaser.

11. TITLE EVIDENCE

Any Bidder, at its sole cost and expense, may procure any title evidence that the said Bidder desires. The Government will, however, cooperate with the Purchaser or his/her authorized agent in this connection, and will permit examination and inspection of such deeds, abstracts, affidavits of title, judgments in condemnation proceedings, or other documents relating to the title of the premises and property involved, as it may have available. It is understood that the Government will not be obligated to pay for any expense incurred in connection with title matters or survey of the Property.

12. TITLE

If a bid for the purchase of the Property is accepted, a Quitclaim Deed will convey the Government's interest. The Government does not pay for title insurance but the Purchaser is encouraged to acquire a title insurance policy from a local title company.

13. TENDER OF PAYMENT AND DELIVERY OF INSTRUMENT OF CONVEYANCE

The Government shall set a sale closing date of ninety (90) calendar days after acceptance of the bid. Upon agreement by the Government, the Purchaser may close the transaction prior to the ninety (90) calendar day period.

Prior to closing, the Purchaser may open an escrow account with an independent, unaffiliated local escrow company to handle the closing. The Government does not mandate use of a particular escrow company. All closing costs,

including escrow, recording, and financing fees, shall be borne solely by the Purchaser. As part of closing, the Government will provide escrow instructions to the Escrow Holder regarding the recording, disposition of proceeds, and related matters.

On the closing date, the Purchaser shall tender to the Government (or to the Escrow Holder) the balance of the purchase price. Upon such tender being made by the Purchaser, the Government shall deliver to the Purchaser the instrument, or instruments, of conveyance.

The Government reserves the right to extend the closing date for a reasonable amount of time for purposes of preparing necessary conveyance documents.

14. DELAYED CLOSING

Any change to the established closing date is subject to the written approval by the Government. The Government reserves the right to refuse a request for extension of closing. However, if the Government grants an extension, the Purchaser shall pay interest on the outstanding balance of the purchase price if the closing of the sale is delayed, and the delay is caused, directly or indirectly, by the Purchaser's action and not by any action on the part of the Government. The interest rate shall be computed based on the yield of 10-year United States Treasury maturities as reported by the Federal Reserve Board in "Federal Reserve Statistical Release H.15" plus 1-1/2% rounded to the nearest one-eighth percent (1/8%) as of the date of bid acceptance. The Government may impose additional terms and conditions to grant an extension.

15. SALE AND CONVEYANCE

The sale and conveyance of the Property shall be made subject to the following:

- a) All covenants, easements, reservations, restrictions, encumbrances, and encroachments, whether of record or not.
- b) Any statement of facts which a physical inspection and accurate survey of the Property may disclose.

16. DOCUMENTARY STAMPS AND COST OF RECORDING

The Purchaser shall pay all taxes and fees imposed on this transaction and shall obtain at Purchaser's own expense and affix to all instruments of conveyance and security documents such revenue and documentary stamps as may be required by Federal and local law.

All instruments of conveyance and security documents shall be placed on record in the manner prescribed by local recording statutes at the Purchaser's expense.

A conformed copy of the recorded Quitclaim Deed shall be provided by the Purchaser to GSA, within five (5) business days after recording, at the following address:

(817) 978-4240

17. OFFICIALS NOT TO BENEFIT

No member of or delegate to the Congress, or Resident Commissioner shall be admitted to any share or part of the contract of sale or to any benefit that may arise therefrom, but this provision shall not be construed to extend to the contract of sale if made with a corporation for its general benefit. U.S. GSA employees are prohibited from bidding on the Property offered in this IFB.

18. ADDITIONAL INFORMATION

GSA, at the address given in this IFB, will, upon request, provide additional copies of this IFB and answer requests for additional available information concerning the Property offered to facilitate preparation of bids. Each bid shall be deemed to have been made with full knowledge of all terms, conditions, and requirements contained in this IFB and any amendments made thereto prior to bid acceptance.

19. WAIVER OF INFORMALITIES OR IRREGULARITIES

The Government may, at its election, waive any minor informality or irregularity in bids received.

IMPORTANT INSTRUCTIONS TO BIDDERS

1. AUCTION START DATE

The auction opens on April 1, 2010, at 9:00 a.m. (Central Time).

2. TYPE OF SALE

This sale will be an online auction conducted at www.auctionrp.com and by submission of initial written bids by mail. The auction will be conducted over a period of several weeks as determined by bid activity. The date for receipt of final bids will be announced at www.auctionrp.com with at least three business day's prior notice (see Paragraph 10 below, Call for Final Bids). The auction may continue beyond that date as long as Bidders are willing to submit higher bids. Thus, the Bidders determine when the sale closes by their bidding activity.

3. TERMS OF SALE

Bids to purchase must be on an ALL CASH basis only. Buyers are expected to arrange their own financing and to pay the balance in full by the closing date. No Government credit terms are available. GSA has no information on the availability of private financing or on the suitability of this Property for financing.

4. MINIMUM OPENING BID

The minimum opening bid is \$110,000.00. The minimum opening bid amount does not represent the value of the Property but rather provides a reasonable starting point for the online auction. The Government seeks to obtain fair market value for the Property and reserves the right to reject any and all bids.

5. BIDDER REGISTRATION

a) Bidder registration is a three-step process:

- (1) An interested Bidder should register online at the auction web site at www.auctionrp.com
- (2) Bidders must complete and submit the official Bid Form titled "Bidder Registration and Bid Form for Purchase

of Government Property" accompanying this IFB. All information and certification requested thereon must be provided. Bidder registration and bids submitted which fail to furnish all information or certifications required may be summarily rejected. Additional bid forms are available upon request or you may photocopy the form in this IFB. The Bidder Registration and Bid Form should be filled out legibly with all erasures, strikeovers, and corrections initialed by the person signing the bid. The Bid Form must be signed and dated.

- (3) A registration deposit in the amount of \$5,000.00 will be required for the Parcel. The registration deposit(s) must accompany your Bidder Registration and Bid Form in the form of a cashier's check, certified check, or credit card. Personal or company checks are NOT acceptable and will be returned to the sender. Checks must be made payable to: "U.S. General Services Administration."

Deposits by credit card may be initiated over the Internet by following the instructions on the online auction site: www.auctionrp.com. Bidders must also complete, sign, and submit the enclosed Registration Deposit by Credit Card form along with the Bidder Registration and Bid Form to be authorized to bid.

Only upon GSA's verification of your registration deposit will you be allowed to bid online using the User ID and password, as discussed below (Paragraph 6, User Identification and Password), nor will your initial written bid be posted online. All Registration Deposits received will be deposited with the U.S. Treasury, in a non-interest bearing account, immediately upon receipt.

- b) To register to bid and if you are prepared to make an initial written bid, please complete the enclosed Bidder Registration and Bid Form for Purchase of Government Property and send, along with the required Registration Deposit, to:

U.S. General Services Administration
Public Buildings Service
Real Property Disposal Division – 7PR
819 Taylor Street, Room 8A10
Fort Worth, TX 76102-6112
Attn: Joseph Potter, Realty Specialist
(817) 978-4240

If the Registration Deposit is to be provided by credit card, the Registration Deposit by Credit Card Form and the Bidder Registration and Bid Form can also be submitted to GSA by fax at (817) 978-2063.

c) It is the responsibility of the Bidder to ensure that adequate time is available to complete the registration process as described above. The Government makes no representation or guarantee that any additional assistance or time will be provided to complete the registration process. No Bidder will be allowed to participate in the sale until the entire registration process is complete.

d) Registration may occur any time prior to the conclusion of the auction. However, the Government makes no representation or guarantee that your registration will be completed prior to the announced date and time for the receipt of final bids. Therefore, Bidders are encouraged to register as soon as the auction opens. A bid made online will supersede a written bid of an equal or lesser amount. An initial written bid may be posted online by the auction manager, if the auction manager has issued a call for final bids, and the written bid has not been posted online by the registered Bidder, and the written bid is higher than the current high bid.

6. USER IDENTIFICATION AND PASSWORD

User Identification ("ID") and Password are used to register online and to place bids online. When you register online, you will be required to assign your own User ID (limited to eight [8] characters). The required password must be at least eight [8] characters and must include: a) one letter; b) one number; and c) one special character such as: ! @ # \$ % ^ & * (). Since the User ID is used to publicly identify bids, and for your privacy, we strongly encourage you to create your User ID in a manner that protects you or your company's identity. The User ID

number will be used to identify the Bidders on the auction Web page, www.auctionrp.com.

In the event you forget your User ID and/or password or are locked out from the system, it is your responsibility to contact GSA, during normal business hours, to obtain assistance.

7. BIDDING IN GENERAL

a) Registered Bidders may increase their bids by following the instructions at www.auctionrp.com. By submitting your bid through www.auctionrp.com, you agree that your bid is a binding offer. You will be legally obligated for any and all bids submitted using your ID number and password.

b) Bids received through www.auctionrp.com are date and time stamped according to the Official Time. The "Official Time" is based on the date and time established by the data processing server located in the Washington D.C. metro area. This location is in the Eastern Time Zone. Bids received are automatically adjusted and displayed to reflect the time zone specified for the Property in the IFB and as listed at www.auctionrp.com. The Government will not be responsible for any discrepancies between the Official Time and the time indicated, displayed, or otherwise stated or represented by a registered Bidder.

c) Bids must be submitted without contingencies.

d) Bids by mail that are not submitted on GSA forms will be rejected.

e) Increased bids are not accepted by fax.

8. DAILY BIDDING RESULTS

Bidders are strongly encouraged to monitor bidding activity at our online auction Web site at www.auctionrp.com. New bids and auction closing information will be posted to this site. The online auction site is updated immediately when new bids are received. Bidders may also review the Property information at our Home Page, www.propertydisposal.gsa.gov.

Bidders will be notified via the auction web site when bidding will be closed. If your bid is not accurately shown on the web page, you should call GSA at (817) 978-4240 or (817) 978-2331. Bidders are urged to pay close attention to the

auction web page which will contain new, revised, and useful information regarding the high bid, modification to bid increment, and the closing date of the auction.

9. INCREASING YOUR BID

If you learn from the auction web page that your bid was not the high bid, or if another Bidder exceeds your previously high bid, you may increase your bid until such time as bidding is closed. Increases in previously submitted bids are welcome and your registration deposit will apply to subsequent increased bids. All increased bids must be made online and must be at least Two Thousand & No/100 Dollars (\$2000.00) more than the previous high bid in order to be considered. The Government reserves the right to modify the bid increment at any time prior to the close of the sale. To increase a previously submitted initial written bid, Bidders must bid online at www.auctionrp.com. In the event that two bids of equal value are received via U.S. Mail or online, the first bid received will be recognized.

10. CALL FOR FINAL BIDS

The Government will announce a date for the receipt of final bids. That date will be announced on the auction Web page, www.auctionrp.com. On that date at 2:00 p.m. Central Standard Time (CST), the clock starts for the High Bid. If no increased bid is received by 2:00 pm CST on the next business day, then bidding will close at 2:00 p.m. CST and consideration will be given to selling the property to the high Bidder. If an increased bid is received on a timely basis, then bidding will be continued over until the next business day on the same terms. Eventually, no one will outbid the high Bidder and bidding will close at 2:00 p.m. Central Time on that day. There is no advantage to waiting until the last minute to bid.

11. CONTINUING OFFERS

Each bid received shall be deemed to be a continuing offer for 90 calendar days after the date of the final bid submittal by a Bidder until the bid is accepted or rejected by the Government.

If the Government desires to accept any bid after the expiration of the 90 calendar days, the

consent of the Bidder shall be obtained prior to such expiration.

12. ACCEPTABLE BID

An acceptable bid is one received from a responsible Bidder, whose bid, conforming to this IFB, will be most advantageous to the Government, price and other factors considered.

13. NOTICE OF ACCEPTANCE OR REJECTION

Notice by the Government of acceptance or rejection of the bid shall be deemed to have been sufficiently given when faxed or mailed to the Bidder or his/her duly authorized representative at the fax/phone number or address indicated in the bid. The processing of a bid deposit by the Government shall not, in itself, constitute acceptance of the Bidder's offer. The Government reserves the right to reject any or all bids or portions thereof for any reason.

14. HIGH BIDDER DETERMINATION

Once bidding stops and the high bid is confirmed, the high bid will be considered for acceptance. There is no guarantee that the Government will accept the high bid.

15. AUCTION DISPUTE RESOLUTION

The Government reserves the right to stop the auction for any reason without award and start a new auction at any time. The Government may resolve bidding conflicts by determining the high Bidder and the high bid amount and then re-open bidding until bidding stops as described above. The Government may temporarily suspend an auction to resolve controversies and resume an auction at any time.

16. TEN PERCENT BID DEPOSIT, TRANSACTION CLOSING, AND REFUND OF REGISTRATION DEPOSITS

a) Within ten (10) calendar days of acceptance of a bid by the Government, the Purchaser agrees to deposit an additional amount, if any, which when added to the Registration Deposit, will equal at least ten percent (10%) of the amount bid. Failure to provide such bid deposit

may require rejection of the bid and forfeiture of Registration Deposit.

b) Upon acceptance of a bid, the appropriate bid deposit shall be applied towards payment of the Purchaser's obligation to the Government. The full balance of the purchase price is payable within ninety (90) calendar days after acceptance of bid. At the time of closing, all cash money paid by the Purchaser will be credited, without interest, toward the total purchase price.

c) Registration Deposits accompanying bids that are rejected will be refunded to Bidders without interest. Bidders who provided Registration Deposits by check may elect to receive the refund by U.S. Treasury check or by an electronic funds transfer (EFT). Bidders will be required to provide GSA with a Taxpayer Identification Number (TIN) to ensure the proper refund of the Registration Deposit by the U.S. Treasury. The TIN may be either a Social Security Number (SSN) or an Employer Identification Number (EIN). The use of an individual's SSN is subject to the Privacy Act of 1974 5 U.S.C. Section 552a, and will be collected only for the proper refund of the Registration Deposit. Refunds will only be processed to the same individual or entity identified by the TIN. Registration Deposits provided by credit card will be credited to the same account number provided.

d) Registration Deposits received from the two highest Bidders will be held as stipulated in Paragraph 17 below, Back-up Bidder. All other Registration Deposits will be processed for refunds after the last day of the auction or upon written request to withdraw from the auction unless the Bidder is the first or second highest Bidder. Refunds will be processed timely but may require several weeks to complete the process.

17. BACK-UP BIDDER

The second-highest Bidder will be the backup Bidder. If the high Bidder is unable to consummate the transaction, the second highest Bidder's bid may then be considered for award. The backup Bidder's Registration Deposit will be retained, without interest, until the first high Bidder has increased their initial Registration Deposit to the required 10% of the purchase price. Subsequently the Registration Deposit of

the second-high Bidder will be refunded by U.S. Treasury check or by an electronic transfer of funds thereafter. In the event that the Government is unable to make an award to the highest or second-highest Bidder, the Government reserves the right to negotiate with the remaining Bidders and make an award that is in the best interest of the Government.

18. ONLINE BIDDING

The Government will not be responsible for any failure attributable to the inability to transmit a bid, the transmission or receipt of an online bid, including, but not limited to the following:

- a) Receipt of a garbled or incomplete bid.
- b) Availability or condition of the sending or receiving electronic equipment.
- c) Incompatibility between the sending and receiving equipment and software.
- d) Malfunctioning of any network, computer hardware, or software.
- e) Delay in transmission or receipt of a bid.
- f) Failure of Bidder to properly identify the bid.
- g) Security of bid data.
- h) Inability of Bidder to enter bid. For example: due to lost or forgotten password or system lock due to repeated login failures, etc.

If your bid is not accurately shown or you cannot enter a bid at www.auctionrp.com then you should call GSA at (817) 978-4240 or (817) 978-2331 for assistance.

19. BID EXECUTED ON BEHALF OF BIDDER

a) A bid executed by an attorney or agent on behalf of the Bidder shall be accompanied by an authenticated copy of their Power of Attorney or other evidence of their authority to act on behalf of the Bidder.

b) If the Bidder is a corporation, the Certificate of Corporate Bidder must be executed. The certificate must be executed under the corporate seal by some duly authorized officer of the

corporation other than the officer signing the bid. In lieu of the Certificate of Corporate Bidder, there may be attached to the bid, copies of so much of the records of the corporation as will show the official character and authority of the officer signing, duly certified by the secretary or assistant secretary, under the corporate seal, to be true copies.

c) If the Bidder is a partnership, and all partners sign the bid, with a notation that they are all general partners, the Government will not ordinarily require any further proof of the existence of the partnership. If all the partners do not sign the bid, then the names of all those except limited partners must be furnished on the bid and the Government, in its discretion, may require evidence of the authority of the signer(s) to execute the bid on behalf of the partnership.

NOTICES AND COVENANTS

The following (or similar) Notices and Covenants will be inserted in the Quitclaim Deed.

1. HAZARDOUS SUBSTANCE NOTIFICATION

A. NOTICE Regarding Hazardous Substance Activity. Pursuant to 40 CFR 373.2 and Section 120(h)(3)(A)(i) of the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended (CERCLA) (42 U.S.C. §9620(h)(3)(A)(i)), and based upon a complete search of agency files, the United States gives notice that no hazardous substances have been released or disposed of or stored for one year or more on the Property.

2. NOTICE OF PRESENCE OF LEAD-BASED PAINT

A. Every purchaser of any interest in real property on which a building was built prior to 1978 is notified that such property may present exposure to lead from lead-based paint (LBP) that may place young children at risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems, and impaired memory. Lead poisoning also poses a particular risk to pregnant women. The seller of any interest in residential real property is required to provide the buyer with any information on LBP hazards from risk assessments or inspections in the seller's possession and notify the buyer of any known LBP hazards.

B. **Inspection by Bidder.** Bidders may conduct their own inspection or perform a risk assessment for the presence of LBP and/or LBP hazards at any time prior to submitting a bid. Before entering the Property, the Bidder must first make arrangements with the individual identified to contact for inspection of the Property. The Bidder is invited to take as much time as necessary to conduct such inspection or assessment prior to the deadline for submission of the bid. Bidders are encouraged to conduct any inspections and assessments early in the process, since the bid opening will not be delayed to accommodate completion of such inspections and assessments.

C. **Lead Hazards Pamphlet.** In order to fully understand the risk and hazards associated with the presence of LBP and LBP hazards, Bidders are encouraged to review the pamphlet *Protect Your Family from Lead in your Home*. A copy of the pamphlet will be provided prior to ratification of the sale contract. It is available from GSA at any time by calling 1-800-GSA-LAND or may be accessed at the Department of Housing and Urban Development's (HUD's) website at http://www.hud.gov/offices/lead/library/lead/pyf_eng.pdf. GSA encourages every Bidder to review this pamphlet prior to submitting a bid.

D. **Abatement and Clearance.** Per the Forest Service Facility Realignment and Enhancement Act of 2005 (P.L. 109-54, 119 Stat. 559-563; 16 U.S.C. 580d, as amended) (FSFREA), HUD's abatement requirements at 24 CFR Part 35 does not apply to the subject Property. If abatement (permanent elimination) of LBP hazards is desired by the Purchaser, the Purchaser is encouraged to hire a LBP abatement contractor certified by the U.S. Environmental Protection Agency (EPA) in accordance with 40 CFR 745.226.

3. ASBESTOS CONTAINING MATERIALS

A. Bidders are warned that due to the age of the building, the Property may contain asbestos containing materials (ACMs). Unprotected or unregulated exposures to asbestos in product manufacturing, shipyard, and building construction workplaces have been associated with asbestos-related diseases. Both the Occupational Safety and Health Administration (OSHA) and the EPA regulate asbestos because of the potential hazards associated with exposure to airborne asbestos fibers. Both OSHA and EPA have determined that such exposure increases the risk of asbestos-related diseases, which include certain cancers and which can result in disability or death.

4. ADDITIONAL AGREEMENTS REGARDING ENVIRONMENTAL MATTERS

A. No warranties either expressed or implied are given with regard to the condition of the

Property including, without limitation, whether the Property does or does not contain asbestos or is or is not safe for a particular purpose. The failure of any Bidder to inspect, or be fully informed as to the condition of all or any portion of the Property offered, will not constitute grounds for any claim or demand for adjustment or withdrawal of a bid or offer after its opening or tender.

B. The description of the Property set forth in the IFB and any other information provided therein with respect to said Property is based on the best information available to the disposal agency and believed to be correct, but an error or omission, including but not limited to the omission of any information available to the agency having custody over the Property, and/or any other Federal agency, shall not constitute grounds or reason for non-performance of the contract of sale, or any claim by the Purchaser against the Government including, without limitation, any claim for allowance, refund, or deduction from the purchase price.

C. The Government assumes no liability for damages for personal injury, illness, disability or death, to the Purchaser, or to the Purchaser's successors, assigns, employees, invitees, or any other person subject to Purchaser's control or direction, or to any other person, including members of the general public, arising from or incident to the purchase, transportation, removal, handling, use, disposition, or other activity causing or leading to contact of any kind whatsoever with LBP or asbestos on the Property which is the subject of this sale, whether the Purchaser, its successors or assigns has or have properly warned or failed properly to warn the individual(s) injured.

D. The Purchaser agrees to comply with any and all applicable Federal, State, and local laws relating to the management of LBP and ACMs associated with the Property, including but not limited to, any such laws relating to the mitigation, abatement, remediation, cleanup, renovation, demolition, and disposal of LBP and ACMs.
